Cotton in California,

but in most cases the results have been in constant use, being very popular in the harvest-field. We are glad to see still many who think this thing can be still many who think this thing can be made to pay, and consequently continue many of our farms. This loading mato give more or less attention to it. The nure from a barn-yard, and hauling it by Stockton Independent tells of a "Colonel | wagon a few hundred yards, to be un-Strong, of Merced, a pioneer in the loaded forkful by forkful, is a waste of industry, who raised forty thousand time and labor, of both man and beast. pounds of ginned cotton from one hun- - Rural World. dred acres in the Merced valley last

Broad-Chested Horses.

"Wind," says an old beyseman, "is the the butcher .- Moore's Rural. grand secret of a fast ho. Good lungs will cover a multitude of taults; whilet, on the other hand, perfection of shape and form are useless when the wind is out. The chest, therefore, in all cases should be large and capacious. In shape it may vary somewhat, according to the service to which the horse is to be put. It he is to be kept for slow work and heavy drawing, the chest may be nearly circular in form, because this shape is the one for strength and bulk, to receive and bear up against the pressure of the collar; while, at the same time, sufficient room is secured for the expansion of the lungs caused by slow and regular work. But if the chest is circular let it be at speed, up to the racer and trotter, the pepper to the taste. chest will increase in depth compared to its roundness, until, for the highest rate of speed, you have a chest as deep as a grey hound, and at the same time not lacking in breadth. Every breed r should keep this rule in mind when selecting his broad mares and stallions, for he may be sure that shallow chested parents will never beget deep-chested coits."

Feeding Dairy Cows.

Meal Feeding and Animal Digestion feeding of cows during winter with but sippets of bread fried in butter. three quarts of Indian meal per day.

Upon reaching the bed the woman opened her eyes, and, seeing the kind, manly faces

The eyes became set in a horrible stare, the light forsook them, the pupils dilated;

"Oh, oh, Dupuy! don't don't!" and consciousness once more left her.

Despite his self-command, the traveller paled. He at once retired with the gentlemen, however, to the piazza, and the doctor moved to assist his patient.

In a short while he, too, joined the party upon the piszza. Nothing had passed between the group until the doctor broke a painful constraint which had fallen upon all. "Gentlemen," said he," the worst mishap that could befall this unfortunate lady has just occurred through her having seen this | Corn-Sacked manisc. She may die, she may recover after a lingering illness; but, in any event, she will be fortunate if she ever recovers her reason. Darkness has settled upon her brain for a long night, which may never be Flour..... 5 75 a 5 75 followed by the dawn."

"To what, doctor," asked the squire, "do you attribute her shock ?" She was evidently stricken with horror at the sight of Mr. Durer, whom, from my knowledge of the laws of the human brain, knowledge of the laws of the human brain, she has in some way associated with the Bacon—Shoulders.... violence which has been done her, to her Whisky...... 1 03 a Hogs..... 3 85 a 4 00

great terror." There was a pause, a painful lull. Then the squire spoke to Durer. The case, sir, has taken a new turn. my duty to commit you, to await further

whispering cheery words of hope and a moaning, chatter of wailing, incoherent has vaulted into his saddle; he brushes away the servant who holds his bit with imperial At this point the stranger, in raising his hand to her head to brush the tangled hair The animal clears it with the activity and from her brow, noticed a clot of blood upon fire of his master, gathers himself on the the wet skin of his finger; rubbing it off, he other side, and before the squire can recover from the stupor of amazement, is off like the wind.

The above is a synopsis of "THE SHADOW OF FATE," by Judge Jarvis, a wonderfully dramatic and powerful novel, which began CORNER, now for sale at all news depots. It is a story of adventure and devotion of an interest beyond that of any novel published ness, he gave the patient over to the charge | for years.
